ABOUT SOUTHMONT

Frontiers is sponsored by Southmont, a supplementary education center dedicated to the academic and character development of young men. Since 1991, Southmont has prepared students to be men of ideals committed to improving the world around them through their professional work, friendships, and life of service.

Southmont's programs are inspired by a Christian spirit which views the world as good, sees work as fulfillment of man's nature, and emphasizes service towards one's neighbor. The Christian orientation of Southmont's programs is entrusted to Opus Dei, a personal Prelature of the Catholic Church (opusdei.org).

Why Frontiers?

Frontiers helps young boys to develop the virtues necessary for manhood, especially fortitude and temperance, by fostering a stronger and deeper bond between each boy and his father. Each session offers boys a brief introduction to a virtue and an opportunity to engage in a challenge with his father. In addition, the club sessions feature discussions among fathers on best practices for raising their sons to be men of virtue.
